

BOAT COVERS

TRACKER® factory-fit covers are crafted for each model to ensure a proper fit while trailering the boat or storing it for years to come. Every Mod V and Deep V cover is made of Dowco® ClimaShiel® Plus, a heavy-duty polyester that's water-resistant, yet breathable enough to allow moisture to escape.

Cover options vary by model, but options include mooring covers, Bimini tops, stand-up convertible tops and full enclosures.

MOD V COVERS

For Mod V, we offer rope ratchet covers available in Charcoal.

DEEP V COVERS

For Deep V, we offer rope ratchet covers available in Charcoal and in Black on some models. In addition, we also offer poleless rope ratchet covers in Black on TARGA™ V-19 models.
