SUN TRACKER Boats Recognized for Excellence in Customer Satisfaction

National Marine Manufacturers Association honors SUN TRACKER Boats for seventh consecutive year

MIAMI – For the seventh consecutive year, [SUN TRACKER](#) Boats has been recognized for excellence in customer satisfaction by the National Marine Manufacturers Association (NMMA), receiving a 2018 Marine Industry Customer Satisfaction Index (CSI) Award in the Pontoon Boats category.

SUN TRACKER pontoon boats received the highly-respected award thanks to positive feedback provided by thousands of SUN TRACKER customers. To qualify, SUN TRACKER customers gave the brand an independently-measured standard-of-excellence rating in customer satisfaction above 90 on a 100 point scale.

“In its 35 year history, SUN TRACKER has consistently offered more boat for the money with a special focus on delivering family fun through a high level of standard features and world-class service support,” said Les Crawford, President of White River Marine Group, the marine manufacturing division of Bass Pro Shops which manufactures SUN TRACKER Boats. “The CSI Award is a tribute to the craftspeople, associates and dealers who provide quality, value and support so that everyone can experience the joy of fishing and boating.”

First created in 2001, the CSI Awards were recently announced at the prestigious Miami International Boat Show and recognize top-rated marine industry brands that actively measure customer satisfaction and pursue continuous improvement to better serve their customers.

In addition to SUN TRACKER, five other iconic White River Marine Group brands across four categories earned the prestigious CSI Award for 2018, including:

- Aluminum Outboard Boats: TRACKER and TRITON
- Fiberglass Outboard Boats: MAKO and NITRO

- Pontoon Boats: REGENCY and SUN TRACKER
- Fiberglass Bass Boats: NITRO and TRITON
